Danville Public Schools takes great pride in the accomplishments and achievements of our students and staff. Annually, hundreds of students are recognized for their accomplishments in academics, fine arts, community service, and athletics. We are an innovative learning community and recognize the importance of all stakeholders (internal and external). Our teachers, administrators, and support staff prepare students to be lifelong learners. We do this by being lifelong learners ourselves.

In Danville Public Schools, learning transcends the four walls of a classroom and even a school building. Danville Public Schools provides all students with a world class education. Our focus is on ensuring that 21st century skills are embedded in our instructional program including: global awareness, financial and entrepreneurial literacy, critical thinking, problem solving, communication, collaboration, creativity, innovation, social and cross-cultural skills, leadership, responsibility, initiative, and self-direction.
