Friday, December 16, 2022 (half day)	Makeups/Retake/SOL Expedited Retakes

Note: The CTE Exams are scheduled as follows:

- WISE: November 14-16

- Work-Place Readiness: November 17-18,2022
- Makeups: November 21, 2022

Daily Schedule

All EOC and CTE Exams must be administered at school on a school-issued laptop. After testing is completed, students will continue their daily schedule, and instruction will continue. Classroom activities will include important preparation for upcoming exams and enrichment/previewing activities. **Students should not leave after exams as they will miss vital instruction.** If a student misses school or signs out early, he/she will be counted as absent for missed periods.

If a student exempts from a district and/or teacher-created final exam, the student **does not** report to school. The school will contact the parent/guardian of each student who qualifies for exam exemption. Students will be coded as E in Powerschool.

Criteria for Exam Exemptions

Standards of Learning Assessments or other state-mandated assessments may NOT be exempt. Exam exemptions are for district and teacher-created final exams **only**.

Students must meet one of the following academic requirements to exempt a district or teacher-created final exam:

Academic Requirement:

- 90% average or above in the course
OR
- 70% average or above in the course **and** 400 or above score on the SOL assessment
OR
- 70% average or above in the course **and** passing score on the CTE certification exam

Final Exams Weights

- Final Exams will count for 10% of the overall grade for each high school course.
- Courses with Standards of Learning end-of-course assessments will count this test as the final exam and must calculate the score as 10% of the final grade.

Inclement Weather

If school is canceled, testing will continue (or begin) on the next school day. Also, if school is delayed (1 or 2 hours), an announcement will be made by the Danville Public School District notifying parents and students whether or not exams will take place.

Note: Parents/Guardians and students should check with their individual school with any specific questions.
